

ment positions in society have been tolerably familiar figures at social functions for the last two or three years. They need no introduction. For they are well known to those with whom they will associate. But the coming season will witness a larger number of young girls in society than has been the case in some time, and the fluttering of the buds insures a life and spirit that has not always been manifested in Lincoln social circles.

O. M. Druse has returned from a two weeks visit at Hot Springs.

Mr. and Mrs. John B. Wright have returned from an extended eastern trip.

Mrs. George A. Gregory of Council Bluffs is in the city the guest of her brother, Frank R. Newton.
